MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Operations
Deputy Director for Administration ✓
Deputy Director for Science and Technology

FROM: Daniel A. Childs, Jr.
Comptroller

25X1 SUBJECT: Overseas Position Requirements [REDACTED]

25X1 REFERENCE: Attachment (Paragraph on Overseas Positions) to
Comptroller Memorandum, dated 20 July 1982,
Subject: Executive Director's Decisions on FY 1984
Budget Submissions [REDACTED]

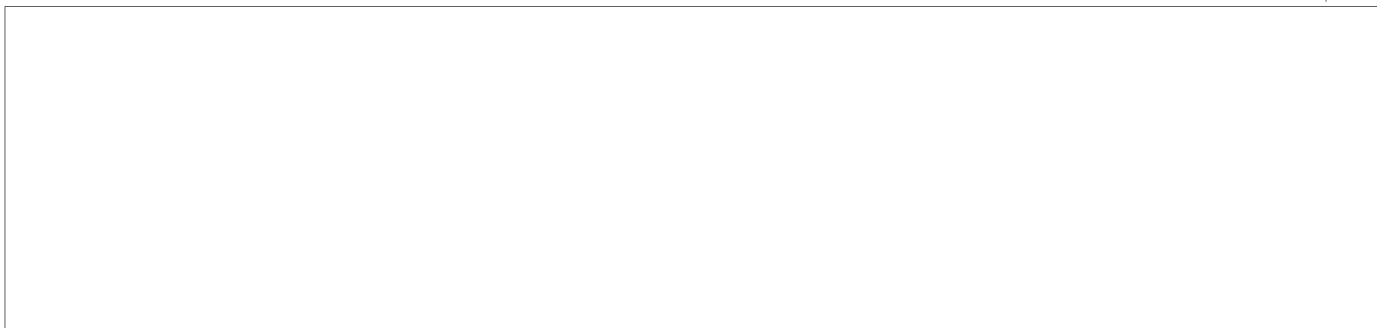

25X1 1. The MODE System has been superceded by National Security Decision
25X1 Directive 38. This Directive provides for determining overseas staffing
levels as an integral part of the annual budget process and requires that the
Department of State be informed of our current and projected overseas staffing
[REDACTED] The latter requires that we provide the Department
with detailed information on our current and projected overseas positions,
including foreign national (i.e., indigenous) personnel. [REDACTED]

25X1 2. In order for the Agency to respond to this requirement, components
25X1 with personnel assigned overseas (PCS only; not TDY) are requested to provide
information on the number of their personnel assigned to overseas positions as
of 30 June 1982, and on their overseas position requirements for FY 1983 and
FY 1984. The information is to be provided on the attached forms (additional
copies should be xeroxed as needed). The data should be coordinated with
component personnel officers to ensure accuracy and, in the aggregate for
FY 1983 and FY 1984, must be consistent with the number of Foreign Field
positions reflected for each component in the 16 August 1982 budget
submission. Foreign Field Development Complement positions may be shown as a
single entry on the last page of the attached form. The 30 June 1982 data
should be coordinated [REDACTED] to ensure consistency with
[REDACTED] assignment records. The total temporary/part-time (T/PT)
and indigenous FTE data for each component must be consistent with the
corresponding FTE data reflected in the 16 August 1982 budget submission. [REDACTED]
